

Personnel Profile

Name	Chris Davies
Job title	Finance Director, Graig Shipping plc
Born:	1959
Location	Head Office, Cardiff

- Joined Graig in 1999 as Finance Director from Grant Thornton where Chris was a senior member of a busy management consultancy team.
- Chris has ten years consultancy experience working with many clients on strategy and business development as well as improvements to financial systems and controls. Chris has significant project management experience; he has worked closely with a major logistics operator and, along with other overseas projects, he managed the Dubai ports development project.
- Prior to his career in consultancy Chris was Deputy Group Accountant of British Dredging plc, where he was heavily involved in the ship repairing and ship operating divisions. Chris was also involved in a major acquisition for the British Dredging group in the late 1980's.
- Chris qualified as a Chartered Accountant in 1985 having graduated from Bristol University in 1980 with a BSc (Hons) degree in Economics and Social History.
